

Welcome to spring!!

April 2010

In our winter newsletter, we said that we were all waiting for open water. The day has arrived - on March 30, the ice disappeared from Twin Lakes. What a beautiful sight!

It's now time to think spring & summer and boating on the lake. We want to remind everyone that we have a full line of new 2010 Ebbtides in stock. They range in size from 18' to 25' and in capacity from 8 passenger runabouts to 12 passenger deck boats. In our showroom we also have a steel blue Misty Harbor 2085 GM pontoon.

includes matching trailer

Price \$38,700

Our sales of pre-owned boats this past winter have been the best in our seven years of business. Our used boat inventory is now very low, so if you are thinking of purchasing a new boat this year, your trade-in will never be worth more than it will be this spring. Bring in your used boat and your wish list for a new boat, and let's make a deal.

Remember we carry the very popular Shorestation docks and lifts. Prices remain the same as 2009, so see us to get yours on order before the start of the boating season. If you purchase a new dock or lift from us during the open house, you will receive a 10% discount and free installation the first time.
